

14 Hilltop Road Penrith NSW

3 1 2

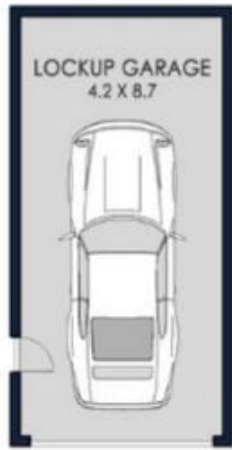

Renovated completely throughout this home features a near new kitchen with stylish timber bench tops, island serving bench and large freestanding cooker. The bathroom is modern and bright with a built in bath tub, feature vanity and skylight.

The neatly presented 3 bedrooms are all equipped with built in wardrobes. Air-conditioning and ceiling fans, this home has been attended to in every way possible.

With the elegantly sized pergola stretching out along the back of the home, entertaining is made a breeze. The backyard has plenty of space for those family get-togethers and even has potential for a granny flat. Plus, with the oversized 1.5 car length garage and driveway there is plenty of off street parking.
